Subject Barricades Himself During Search Warrant Execution in Rivers Hill

JASPER COUNTY, S.C. – At approximately 7:30 a.m. on Monday, May 19, 2025, the Jasper County Sheriff's Office Criminal Investigation Division and Narcotics Enforcement Team, in coordination with the South Carolina Law Enforcement Division (SLED), responded to a residence in the Rivers Hill area to serve an arrest warrant on Trent Warren, who was wanted on multiple charges of domestic violence.

Warren barricaded himself inside the residence and refused to surrender to law enforcement. His mother, Celeste Warren, who was also at the scene, actively hindered the investigation by denying entry to law enforcement and attempting to mislead officers regarding her son's location.

After several hours of unsuccessful negotiation and non-compliance, the SLED SWAT team was called in to assist. Law enforcement officers were ultimately able to locate and safely apprehend Trent Warren inside the residence. He was arrested and charged with multiple counts of domestic violence and one count of hindering a law enforcement officer.

Celeste Warren was also taken into custody and charged with hindering a law enforcement officer.
