## **Forensic Evidence Leads to Arrest in Miranda Drive Shooting**

**JASPER COUNTY, S.C.** – Following a lengthy investigation, the Jasper County Sheriff's Office announces the arrest of **Nygel Quron King**, which took place on December 16, 2025, in connection with a shooting that occurred on August 26, 2025, on Miranda Drive. The residence was struck multiple times by gunfire. No injuries were reported, and deputies recovered 10mm shell casings and DNA evidence at the scene.

On August 30, 2025, King was arrested during a traffic stop on drug-related charges and found in possession of a 10mm Glock handgun. During interviews, King denied involvement in the shooting but admitted ownership of the firearm. Forensic testing by the South Carolina Law Enforcement Division matched the shell casings recovered from the shooting to King's firearm.

Following neighborhood canvassing and witness interviews, detectives obtained warrants charging King with Attempted Murder, Possession of a Weapon During a Violent Crime, and Discharging Firearms into a Dwelling. This case reflects a One Team, One Mission effort involving JCSO Patrol, Criminal Investigation Division, Narcotics, and SLED.
